

## *Material Safety Data Sheet*

**Brand name:** *SilverDYNE*

**Supplier:** World Health Alliance Intl. Inc.  
U.S Corporation  
Las Vegas, Nevada and Mexico

### **Formula/Ingredient Information:**

Base: 0.36% colloidal silver  
Dangerous ingredients None

**First aid procedures:** not applicable

Inhalation not applicable  
Skin contact not applicable  
Eye contact no irritant  
Swallowing not applicable

**Danger classification:** inapplicable

### **Storage and Handling:**

Storage Store at room temperature. Keep out of direct sunlight

Handling not to be exposed to x-ray

### **Physical and chemical properties:**

Appearance/ color liquid, dark brown  
Odor none  
PH 7  
Emulsion point 201.2 F  
Solubility in water extremely soluble  
Vapor pressure not applicable  
Evaporation rate not applicable

### **Stability and reactivity:**

Conditions to be avoided x-ray and direct sunlight

### **Components:**

Distilled water and 0.36% Colloidal Silver

# *Material Safety Data Sheet*

## **Toxicity information:**

No toxicity factor. One (1) drop of Silverdyne per (1) liter of water contains only 0.090 mg of Silver before using.

## **Transportation information:**

H.S. Code # 2843.10.0000

Trucking	not to be x-rayed
Air transportation	not to be x-rayed
Sea Transportation	not to be x- rayed

## **Instructions:**

Classified as non-toxic, non-hazardous  
All symbols are inapplicable
